### July Flight – Red & White: \$15.00

**Erato, 2019** Erato is a blend of Chardonnay, Muscat, and Vidal Blanc. The grapes used in this white wine were grown at our highest elevation vineyard on slate soils. Whole-cluster pressed and fermented slowly in stainless steel at 60° Fahrenheit, this wine has an aromatic richness and freshness on the palate. ABV 12.9%

**Vin Gris de Gamay, 2019** The Vin Gris de Gamay was produced separately from the red Gamay. Grapes were whole-cluster pressed. 100% Gamay. Stainless-steel fermented and aged. By contrast the Rosé was produced by crushing the fruit and soaking the juice on skins; naturally this process produces more color. This wine is made from grapes only grown at Muse Vineyards. ABV 11.9%

**Gamay, 2019** Muse Gamay is a perfect summer wine. Fermented in stainless steel and bottled young, it is a bright, fresh wine. With a pretty pale garnet color it is lighter in body than a traditional red wine aged in oak barrels with notes of sour cherry. Try it with food as an alternative to rosé - goes well with pizza, pasta, hamburgers and other informal meals. Try it slightly chilled (45 minutes in the refrigerator, like Beaujolais) as a great deck and patio wine. ABV 11.9%.

**Clio, 2016** Clio 2016 is a Bordeaux style wine in a classic blend of 29% Cabernet Franc, 21% Cabernet Sauvignon, 25% Petit Verdot and 25% Malbec and Merlot. Clio is Muse's signature blend, having won the Virginia Governor's Cup in 2015. 14.3% ABV

**Cabernet Franc, 2017** This is a plush wine of depth and complexity from a great vintage. Aged for over two years in French barrels this Franc is a tribute to the gentle marriage of fine-grained oak and red wine. Its tannins are well-integrated and frame the wine perfectly. Its flavors meld and flow seamlessly. A wine to think about while drinking, as it will insistently remind you. ABV 13.5%.
