

Erato, NV Erato, the goddess of Greek mythology derived her name from the word "lovely," which is what this aromatic steel fermented, unoaked wine is. The distinct aroma comes from a small portion of Muscat Blanc a petit Grains grown on slate soils in our highest elevation vineyard. It is a splendid aperitif wine. ABV 12.1%

Thalia, 2019 Thalia is a blend of Marsanne and Roussanne varietals which originate from the northern Rhône River Valley. This wine is fermented for one year in a French oak barrel. ABV 13.2%

Gamay, 2019 Muse Gamay is a perfect summer wine. Fermented in stainless steel and bottled young, it is a bright, fresh wine. With a pretty pale garnet color it is lighter in body than a traditional red wine aged in oak barrels with notes of sour cherry. Try it with food as an alternative to rosé - goes well with pizza, pasta, hamburgers and other informal meals. Try it slightly chilled (45 minutes in the refrigerator, like Beaujolais) as a great deck and patio wine. ABV 11.9%.

Clio, 2017 This is a fine wine from a fine vintage. Its flavors are melded beautifully and flow seamlessly; both a sensual and cerebral pleasure at the same time. It is a Bordeaux-style blend of Cabernet Sauvignon, Merlot, Franc, and Petit Verdot; matured in French barrels. ABV 14.2%. It is a blend of 40% Cabernet Franc, 38% Petit Verdot, 11% Cabernet Sauvignon and 5.5% each of Malbec and Merlot.

Petit Verdot, 2017 Used primarily as a blending grape in French Bordeaux wines, especially in the Medoc region, Petit Verdot has come into its own in Virginia as a single varietal. Much beloved by critics and consumers alike, this wine is proof that Petit Verdot has found the perfect home at Muse Vineyards in Virginia's dry and beautiful Shenandoah Valley. The vines were 10 years old in 2017, which was a warm dry vintage that produced gently ripened grapes. Wonderful to pair with hearty meat or vegetable stews or spaghetti Bolognese. ABV 14%.
